

Invitation of Financial & Technical Proposal for Developing Training Module

For stakeholders viz. Prosecutors and investigators.

The Sindh Judicial Academy is a statutory body established for conducting research on legal issues and imparting continuing legal education of members of the judiciary and other justice sector stakeholders in Sindh, Pakistan.

The Sindh Judicial Academy intend to design training module which may facilitate trainees and trainers on the subject of Anti-Money Laundering and Counter Terrorism Financing with the object to facilitate stakeholders as to understand standard operating procedure of investigation, prosecution and adjudication.

Proposal is invited for developing module in a format followed in Sindh Judicial Academy for developing similar nature training modules which may be seen at www.sja.gos.pk/assets/toolkit_pakistan.pdf

The module should cover the training material, training methodology, exercises and presentations for catering the need of other stakeholders viz. Prosecutors and investigators.

The Consultant should have at least 15 years' experience as Advocate or presiding a judicial office at district level.

The module shall be completed and submitted in a period of 10 days.

A technical and financial proposal is invited to this regard which should reach this office on or before **20-12-2019**. Cost of manual should not increase from **RS. 3,00,000/-**
