

Chief Justice

Message from

Hon'ble Chief Justice, High Court of Sindh.

The importance of Judicial Academies in the advancement of Justice Sector entities has been now well established throughout the world. Our province is pioneer in establishing the Sindh Judicial Academy back in 1993. I am pleased to recognize deep insight grafted by the Sindh Judicial Academy into its detailed Judicial Training Calendar for this year. Besides this, Sindh Judicial Academy has proposed an activity for setting up a process to deal with the causes of less effectiveness of our justice system and to bring consensus for paving a way towards success in the next ten years under the concept a Vision for justice 2027.

The Vision 2017-2027 was initially shared with me by the Director General, Sindh Judicial Academy. I believe it is first time in provincial judicial hierarchy whereby a long-term policy is being designed and the Sindh Judicial Academy has developed a step forward in this regard.

The Academy has shared number of soft reforms such as establishing Court Annexed Mediation Centre; suggesting amendments in the procedural and substantial laws; publication of Electronic Law Journal, research papers, law books; introducing distance learning and skills based training for judicial officers, practicing advocates, investigators and prosecutors which shall be considered in more detail in the workshop planned.

I appreciate the Academy's strategy as they before executing the ideas decided to consult with the stakeholders and thereafter on their suggestions would finalize the Vision 2017-2027.

I have been informed that Hon'ble Judges of apex court, leading advocates, high officials, media personnel have been invited. I hope the amalgam of diversified experience and intellectual approach of the worthy participants shall crystalize a productive and do able strategy to deal with the menace of justice system and upholds the mandate of our constitutional norms.

I extend my full cooperation with the Sindh Judicial Academy in this regard.

(Justice Ahmed Ali Sheikh)
Chief Justice, High Court of Sindh
Chairman, Board of Governors,
Sindh Judicial Academy.
